OPTION 1 – CURVE OF HANDLEBAR (MOST COMMON)

Securely attach velcro straps to the curved part of the stroller's handle.

OPTION 2 – FRONT OF HANDLEBAR

Securely attach velcro straps on the front of the stroller handlebar (or about ½ to front and ½ to curve).

OPTION 3 – SIDES OF HANDLEBAR

Securely attach velcro straps on the sides of the handlebar (or about ½ to the front and ½ to sides).

VIP Tip: Attempt to use as much velcro straps as much as possible. Depending on the stroller model and attachments, a combination of the above configurations may offer the best fit. Get more information from the full user guide at www.oliverandeve.com/stroller-organizer/user-guide

HOW TO FOLD THE EXPANDABLE MESH BAG

Step 1

Lay out the expandable mesh bag, taking note of the two velcro strips.

Step 3

Fold up the stroller body straps and secure together with small velcro strap.

Step 2

Fold the mesh bag up, attaching the SMALL velcro seam to the LARGE velcro seam. Then lay the remaining part of the bag flap to the top of the organizer.

Step 4

Fold the remaining flap of the expandable bag down and attach the last remaining velcro strips. You're ready to go!
